WESTFIELD BANK HOLDS FOOD DRIVE TO SUPPORT LOCAL COMMUNITIES

Westfield, MA—— Westfield Bank invited its employees, customers and community members across Western Massachusetts and Northern Connecticut to help fight hunger in local communities as part of its 2025 food drive. More than 800,000 people in Massachusetts and over half a million Connecticut residents struggle with hunger, according to the non-profit food bank network Feeding America.

From Monday, October 20 through Monday, November 17, all Westfield Bank branches collected non-perishable food items and monetary donations. Food items included those needed for Thanksgiving dinners as well as other staples to keep shelves stocked throughout the holiday season. Each branch donated to a food pantry or community kitchen local to their service area.

"We are proud to host a drive that helps deliver food to many of our local organizations during this holiday season. To give back to our community is an essential part of our mission, and we are happy to continue to partner with so many great community partners who support those in need," said James C. Hagan, President and CEO of Westfield Bank.
