Organization's annual budget

Project budget

Where does your organization receive its funding?

Grant Request Narrative

Please submit up to three pages describing the program or initiative for which you are requesting funding. Please include who will be served, the results you expect to accomplish, how you'll measure your success, and how you'll communicate the success of the program to the community. Please be as specific as possible in your descriptions. In addition, please include a copy of your organization's most recent 990.

Please submit your grant application form and grant request narrative to:

Cathy Jocelyn
